MK Wellness promotes holistic wellness in every family, empowering choices for physical and mental well-being. Committed to better-for-you products, our innovations meet high-quality standards with support for local agriculture communities.

Dip into Deliciousness MK SAUCE

Thailand's Favorite Flavor

MK Sauce, A Legacy of Authentic Thai Hotpot Since 1986.

For over 40 years, MK Restaurants has been synonymous with exceptional Thai style hotpot experiences in Thailand. Renowned for their signature dipping sauce, a carefully crafted blend of sweet, sour, spicy, and roasted sesame flavors, MK Restaurants have captured the hearts (and taste buds) of Thais nationwide. The commitment to this iconic recipe has positioned **MK as the No. 1 chain in Thailand**, boasting over 400 branches and solidifying its place as a local favorite.

MK Sauce not only enhances the flavor of your hotpot meal but is also a delicious complement to grilled meats, crispy chicken, and a great taste boost for every dish.

With a unique sweet-sour-spicy taste that no one can replicate, MK Sauce is to die for among Thais and anyone who had visited MK Restaurant in Thailand.
